1C2 QP016 / 1C2 QP016G Twilight Facets Size: 82" x 100"

To a painter, life is about color and how it changes depending on the light. The time between daylight and darkness, whether it's after sunset or before a sunrise, the sky shines in shades of blue and coral. Beautiful flowers and moths are cast in these colors, and the artist's eye mixes them with geometrics and watercolor brushstrokes. 1Canoe2's Twilight captures the beauty of the palette for quilts, accessories and home décor.
