

# Fruit Loop

 **BASICGREY®**

When nature gives us candy, we'll take it any way we can slice it—fresh, candied, sun-dried, baked, poached, or brûléed!

Fruit Loop is a delicious cocktail of bold, vibrant colors—sure to make your mouth water and ignite nostalgia. This fruit-inspired collection highlights the juicy decadence of nature's candy and the tender, life memories associated with it.

Delicate florals are reminiscent of the beautiful, blossoming trees of spring, which give way to seasonal delights. Assortments of rich, sun-ripened fruits picked and enjoyed straight from the vine, tree, bush, or garden all summer long dazzle our senses. Retro slices and radiant sparkles transport us back to canning the sweet spoils of summer with grandma in her kitchen. While intricately weaved patterns remind us of picnics in the cool shade of an oak tree and baskets of apples picked fresh from the orchard in fall.

We hope Fruit Loop brings you joy and transports you back to the sweet memories of yesteryear as you create magic with this bright, cheery, rainbow of color!
