

# Gradients Euphoria

by *moda*

**EXPERIENCE THE RUSH OF EUPHORIA** with this dynamic collection! Gradients Euphoria is a rainbow colorplay group inspired by abstract paintings, clouds, and florals. Unleash your inner artist and play with color and texture in art or collage quilts, add an unexpected dash of movement in a primarily solids quilt, use as quilt backs for a party-in-the-back vibe, or create playful accessories like pouches, bags, totes, and more. The possibilities are endless!
